

REMARKS:

In response to the Examiner's objection to claim 9 on the basis that claim 9 is improperly dependent on claim 10, Applicant has amended claim 9 to be properly dependent on claim 1. Applicant submits that this amendment, when entered, places claims 1-18 in condition for allowance and accordingly, respectfully requests that the Examiner permit the application to proceed to allowance.

Should a conference be necessary or desirable to assist the Examiner's evaluation of this application, a telephone call to the undersigned at (954) 315-5044 is respectfully solicited.
